

Vision Dance School Testimonial

Both my daughters attend Vision, we have been part of the school for 11 years and they love it. It is a lovely, friendly dance school where everyone is supportive of one another and there is a wonderful atmosphere. The dedicated teachers manage to instil the discipline needed for dance whilst making the classes fun and enjoyable. There is a good balance between exam and performance work and there are opportunities to compete in local festivals. The biannual shows are entertaining and professional and there is always a great atmosphere and superb teamwork going on back stage. Vision Dance has provided the girls with many amazing performance opportunities such as dancing at Her Majesty's Theatre, Sadler's Wells, Disneyland Paris and Can You Dance as well as performing in theatres and events locally. Students have also been given the opportunity to attend workshops with professional dancers. Wider training for the more serious dancer is encouraged and embraced; my eldest daughter is part of Tap Attack and Derbyshire Dance Associates and has also trained with Midas and Staffordshire Youth Ballet in the past. She has recently been awarded a place on a Level 3 BTEC Extended Diploma in Dance course. Vision is a great place for children to discover the joy of dance, build self-confidence and develop lifelong friendships.
